

SOP (Standard Operating Procedure) of developing the Training Materials and Translation related work

PURPOSE OF THE PROCEDURE

- 1. To update and translate the Training Materials as required.
- 2. To recheck the documents are translated appropriately in the context of Health and Safety.

ASSIGNED STAFF MEMBER

Responsible Team Leader is assigned from OSH Training Department besides his/her other assignments. S/he does the work in coordination with the working group formed by the OSHTPS.

S/he will arrange a meeting with the RSC OSH Training Working Group (Representatives from Brands, Industries and Trade Unions) for required approval.

S/he is responsible for working with responsible person of RSC Communication Department and outsourced local designer as well as Translator when required.

POCESS/PROTOCOL

- **Step 1:** Conduct Training Needs Assessment (TNA) of the industries, workers and related stakeholders.
- **Step 2:** Based on the findings of TNA, TL and module development working group (OSHTPS group) will develop or update the training materials as required.
- **Step 3:** HoD and TL will review the updated training materials in the context of Health and Safety along with the Pictures (Training, All Employee and/or the Safety Committee Walk Through) and make recommendations as required.
- **Step 4:** For illustration, design, production and proofreading work the Communication team will outsource local designers when necessary.
- **Step 5:** Local outsourced designers revert with the redesigned documents.
- **Step 6:** HoD and TL will recheck the quality and the appropriateness of the cover design, illustration work and proofreading.
- **Step 7:** HoD will organize a meeting with the RSC OSH Training working group (Brands, Industries and Trade Unions) to share the contents as well as getting approval.
- **Step 8:** Approved materials will be handed over to the Communication Department to outsource Translator when necessary.
- **Step 9:** TL will arrange Training of Trainers (ToT) for the OSH-Training Specialists to enhance their knowledge of the updated training materials.
- **Step 10: TL** will take the initiative to upload the training materials on the sharedrive and RSC website.

Process Complete.
